¹ 10-801-198 Speech is the recommended course.

² This is the UWW GenEds category. While they will transfer all transferrable courses for their GenEd, they will accept only one course per category (to total between 8 and 12 credits). If a student passed 809 166 and 809 260, they would transfer both, but only one will apply to GenEds since they are both in the same category.

³ Courses with four 9s transfer as electives but can count towards GenEds. The letter after the 9999 indicates the GenEds category.

⁴ One diversity course (no credit minimum) is required at UWW. Either 10-809-172 or 10-809-217 would fulfill that requirement. Additionally, both 10-809-172 and 10-809-217 carry a GenEd designation and could potentially count for both GenEds and Diversity.

⁵ 20-809-237 Abnormal Psychology transfers as an elective. This can count towards the 120 credits if the student doesn't have enough courses in their last Bachelor degree semester, but otherwise it would satisfy any degree requirements.

⁶ 20-809-254 Educational Psychology does not carry a GenEd designation and could only apply for Education majors.
